

SOCCKER

Do you know how to play Soccer I do? Soccer is important to me because I play soccer since I was 5 years old and now I like soccer very much. Soccer is a sports because I like scoring goals that's why I like soccer.

Soccer, has many rules to make sure that people don't cheat. Hand ball, fouls, free kicks, penalty kicks. Hand ball if you get touch with the ball they call it. Fouls are if someone trip you get a free kick. free kicks are someone push you down or a trip. Penalty kicks are someone push someone down you get a pk. Pk is you shot in front of the goal and in the pk box, which is in front of the goal.

There is another type of soccer which is played indoors! Indoor is play inside, special shoes, fake grass, glass, wall, special shoes are there flat on the bottom Fake grass is it hurt when we fall and it is pointy Walls that it doesn't hit someone. Glass that doesn't hit the people in the m like in the stands

You need to have supplies to play soccer. Like You need cleats because then you can kick far and score a goal. You need indoor shoes because to score goal. You need socks because to pertreck your shins. You need shinguards to pertreck your shins. You need Jersey because then you know who to past to and put a number and team name like TNT. Here is more Supplies You need a ball because to warm up You need a bag because to put all your suff in. You need a goal because to practice. You need a bench because to watch your friends. You need a water bottle to dink when you are tired. You need a Ball because to kick around befor the game. You need a bag because to put your stuff then you can't loose a ball.

Maybe you can sign up and play soccer because it is very

FUN!!!!!!!!!!!!!!! To score goals
