

Can't stop the Feeling

I got this feeling inside my bones, It goes electric, wavy when I turn it on
 All through my city, all through my home, We're flying up, no ceiling, when we in our zone

I got that sunshine in my pocket, Got that good soul in my feet
 I feel that hot blood in my body when it drops
 I can't take my eyes up off it, moving so phenomenally
 Room on lock, the way we rock it, so don't stop

(Pre-Chorus)

And under the lights when everything goes, Nowhere to hide when I'm getting you close
 When we move, well, you already know, So just imagine, just imagine, just imagine

(Chorus)

Nothing I can see but you when you dance, dance, dance
 A feeling good, good, creeping up on you, So just dance, dance, dance, come on
 All those things I shouldn't do, But you dance, dance, dance
 And ain't nobody leavin soon, so keep dancing
