Hello, it's me

I was wondering if after all these years

You'd like to meet, to go over everything

They say that time's supposed to heal ya

But I ain't done much healing

Hello, can you hear me?

I'm in California dreaming about who we used to be

When we were younger and free

I've forgotten how it felt before the world fell at our feet

There's such a difference between us

And a million miles

Hello from the other side

I must've called a thousand times

To tell you I'm sorry, for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry, for breaking your heart

But it don't matter, it clearly doesn't tear you apart anymore

Hello, how are you?

It's so typical of me to talk about myself, I'm sorry

I hope that you're well

Did you ever make it out of that town where nothing ever happened?

It's no secret that the both of us are running out of time

Hello from the other side

I must've called a thousand times

To tell you I'm sorry, for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry, for breaking your heart

But it don't matter, it clearly doesn't tear you apart anymore

Oooooohh, anymore

Oooooohh, anymore

Oooooohh, anymore

Anymore

Hello from the other side

I must've called a thousand times

To tell you I'm sorry, for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry, for breaking your heart
