G D
 When I look into your eyes
 G D
 It's like watching the night sky
 G D
 Or a beautiful sunrise
 A
 There's so much they hold
 G D
 And just like them old stars
 G D
 I see that you've come so far
 G D
 To be right where you are
 A
 How old is your soul?

Chorus:

G D
 I won't give up on us
 Bm A
 Even if the skies get rough
 G D
 I'm giving you all my love
 A
 I'm still looking up

G D
 And when you're needing your space
 G D
 To do some navigating
 G D

I'll be here patiently waiting

To see what you find

'Cause even the stars they burn

Some even fall to the earth

We've got a lot to learn

God knows we're worth it

No, I won't give up

I don't wanna be someone who walks away so easily

I'm here to stay and make the difference that I can make

Our differences they do a lot to teach us how to use

The tools and gifts we got yeah, we got a lot at stake

And in the end, you're still my friend at least we did intend

For us to work we didn't break, we didn't burn

We had to learn how to bend without the world caving in

I had to learn what I've got, and what I'm not

And who I am

Chorus - x3 -:

I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up
