

I want to go to the Everglades national park. It has swamps savannahs and forests. More than 300 birds live in the Everglades. The Everglades national park is located in Florida.

I want to go to SeaWorld because it has aquatic animals that you won't find at a zoo. At SeaWorld there are 22,100 employees. You could see a lot of animals at SeaWorld that you wouldn't be able to see every day because they live in the ocean. They sometimes have shows with trained ocean animals.

I want to go to the Appalachian mountains because it's a natural landmark. It's the Southeast's biggest landmark. They cover 6 states in the Southeast and go farther. It's highest point is Mount Mitchell.

I want to go to The Coca Cola museum because Cola is one of the popular pops in the country. The museum contains the the history of the Coca Cola company. The original building was in the heart of Atlanta. The original building opened in 1991 and was open for 16 long years.

I want to go Disneyland because it is a huge amusement park. It is open year around.It opened on July 17 1955. It is owned by the Walt Disney company.

I want to go to the John F. Kennedy space center because I am interested in space. It had 13,100 employees in 2011. It was built on July 1 1962. People might see a shuttle launch at the space center.

I want to go to Bush Gardens because it is a amusement park but it's focused on wildlife. It has 8 roller coasters. It's operated year round. It also has 3 water rides.

I want to go to the French Quarter because it is the biggest city in Louisiana. In 2010 it had 3,888 people. It is located in New Orleans. You can hear music called Dixieland jazz

I want to go to the Georgia aquarium because I really would want to know more about sealife. They have more than 500 species. It opened on November 23 of 2005.They have 100,000 animals at the aquarium.

•,

I want to go to Memphis Tennessee because it is one of the birthplaces of the blues. In 2013 it was estimated to have a population of 653,450. It was founded on May 22 of 1819. The city is 324.0 square miles.
