

Places I will like to go in the northeastern

By Ethan Payne

The next place I will like to go is Hartford
Because so I can go and see the city and live in there
The people that live there are 20,000 to 50,000.

The next place I will like to be is the Erie Canal

Because I want to see how they open the door to the lake.
I want to go and see how many doors there are and how many people want to see all the ships come in and out.

The next place I will like to go is buffalo
Because I want to live in the city and the population is
500,000 to 1,000,000 people that live there.

The first place I want to go is New York City

Because I want to go and see the ball drop in time square. I
Want to see it so bad and not on tv! The population is over 15,000,000
People that live there

The next place
I will like to go
is New Jersey.

because I have never ever
went there in my life and I
want to go and see the
statue you libretto

The next place I will like to go is Pennsylvania
Because I will like to see the Hershey bars made and to see all the Hershey bars
that the can make and to see the tools they use to make the
Hershey bars.

The next place I will like to go is the White House

Because I will like to see the president of the United State
And the White House to see how big it is in real life and
not in a picture.

The next place I will like to go is
Washington DC

- ◆ So I can see all the stuff they have from a long time ago and see all the cool thing they have.

The next place I will like to go is cape cod

To go see the big ice block that are all over the beach

And to see the lake and see all the ice.

Fun fact it is in the ocean with big waves

Another great fact you can wake on the ice.

The next place I will
like to go is west
quoddy head light

I what to go here because I
what to go and see all the
ship that come .
