

We want to go to Hollywood studios because It is fun.  
Did you know Hollywood studios has a Jedi training Academy?

You can also go to phantasmic.

You can also ride rocking roller coaster.

We want to go to Magic Kingdom because we could ride a bunch of rides.

Did you know that Magic Kingdom has a thing where you get some cards at the fire department on Main Street USA and then you can fight disney villains?

You can also go on space Mountain.

Did you know that they have fireworks everyday.

I want to go to the appellation Mountains because we can climb up it.

The appellation Mountains are one of the oldest mountain ranges in the world.

They also have some peaks that are more than 6000 feet high.

They're the Southwest region's highest Landforms.

We could go to the Everglades because there's a lot of water. Many waterways flow through the flat land of the Everglades.

The Everglades are in Virginia to Louisiana.  
water flows into Everglades.

We would go to Miami because we could go swimming.

Miami is also home to many seaports.

Miami is on the tip of Florida.

Miami is also known as the cruise capital of the world.

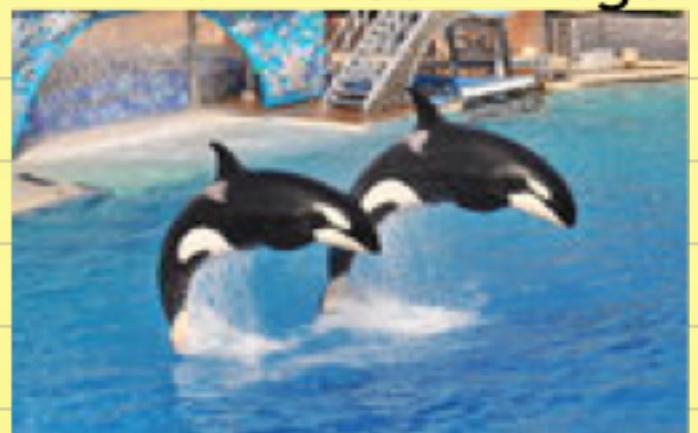

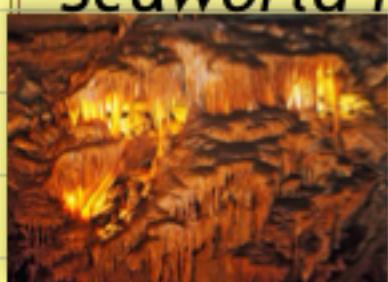

We can also go to sea world Because we can see Shamoo.

The first Seaworld was founded in 1964 in San Diego.

Sea world is open year-round.

Seaworld has over 20 rides.

Mammoth Cave Because it is the longest cave in the US.

Do you know the mammoth Cave is in Kentucky?

It is under the Flint Ridge.

The human history of the cave starts about 4000 years ago.

Harry Potter land because we could see the stuff from the movies.

You can also see Diagon Alley.

They also have fake goblins at Gringots Harry Potter land.

you can also go to Ollivander wand Shop.

Graceland Because we could go And see Elvis's grave.

Elvis Presley died at Graceland in 1977

Graceland is in Tennessee

It is also 13.588 acres

Legoland because you go ride the rides.

Legoland in Florida is 150 acres.

Legoland Florida was opened in October 15, 2011.

It is also the largest Legoland park in the world.
