

Coca-cola factory

Coca-Cola started in the South. In 1866, Dr. John S. Pemberton, a pharmacist in Atlanta, Georgia, created what would become the most recognized and popular soft drink on earth. Coca-Cola was first bottled in 1894 in Vicksburg, Mississippi. Before that, Coca-Cola was only sold from soda fountains.

Like to go there
because I would like
to know how Coca-
Cola is made

Disney world is a popular tourist destination. Theme parks animal kingdom restaurants. It is located in Florida.

I want to go to Disney world because My brother went there and I know it is fun.

You are looking at Everglades National park in Florida. The Everglades is a vast area of swamp, It is the largest known swamp. Many waterways flow through the flat lands of the Everglades. You may see crocodiles here! I would like to go here because I like warm places and it would be fun to see the wild life.

Appalachian mountains they are the oldest mountains in the world. They cover most of top part of the southeast region. Some of the parts are 6,000 feet. I would want to go there because it would be neat to see all the mountains.

Georgia farm to eat peanuts the southeast has good land for growing crops because the soil is rich. Also, it has a long growing season. More than half of the peanuts grown in United States happens in Georgia.

I want to go there because I like peanuts and they are very good.

KENNEDY SPACE STATION

Another popular tourist attraction.

It is located in Florida.

Most of our space shuttles launches from here.

★ I would want to go there because I have never seen a space station before and I would like to see one.

Rivers/waterfalls

Most of the rivers begin at the Appalachianm. There is good soil for farming. Place where mountains hit the plain the water runs off and Makes a waterfall crectes ehectilcity.

I would want to go there because I would like to see all the different kinds of waterfalls.

Miami is one of the busiest port city's. Home to many cruise ships about. 3000000 people leave on cruise ships each year from Miami. The resin why I want to go there is because I want to ride on a cruises ship.

Music

Bluegrass is popular in the southeast. Also birth place of country music. Louis Armstrong was a popular jazz trumpet player. We would like to hear the different types of music.

Southeast is the center of our country's textile industry
Makes Yarn cloth, carpet. Trees are raised here as a crop.
We want to go here because we want to see everything that
they make with cotton
